

**Doctors Communicating Patient
Results at dcpresults.com**

If you have a mobile phone (to receive SMS) and internet access (to view web pages) your doctor can enroll you to receive your latest pathology or radiology results on-line.

Your doctor will enroll you when ordering your tests.

Test/s must be completed within 3 months of your enrolment to be made available on-line.

Results will be available on-line a few days after your test is performed.

When you receive the PIN code via SMS, simply go to dcpresults.com and log in with your DOB, mobile number and PIN code.

Your doctor will colour code your results and can provide comments on your results so that you can interpret the results in the context of your care.

Green results require no action.

Blue results require you make a routine follow-up appointment to discuss the result.

Red results require an urgent appointment for follow-up.

Yellow results contain special instructions for you to follow.

This new system will only be used for routine and non- urgent blood tests
